

Ismael Bernárdez Núñez

WEB DEVELOPER / UI-UX DESIGNER / TRAINER

Graduated in Fine Arts, specialized in design and audiovisual media; and with professional experience as a graphic designer, web developer and trainer.

As a graphic designer making logos, corporate image, catalogs, promotional design,...; and a multitude of digital products - including 3D design, digital video, image processing, presentations,...-. As a web designer making all kinds of web pages: online stores, corporate websites, blogs, prototypes,...-.

And as a trainer, transmitting the acquired knowledge and practical skills adapted to the specific needs of each student.

EDUCATION

DEGREE IN FINE ARTS

Fine Arts Faculty - University of Vigo
Pontevedra, Spain - UE
June 1996

PROFESSIONAL EXPERIENCE

■ Freelance - since 1997

I founded Ambos Associated Lda. in 1997. Personal platform to offer my services as graphic designer and web developer. UI/UX, e-commerce, digital design, creativity, art direction, communication and marketing.
